## **NOTICE TO MARINERS 069/2020**

### **Swinging Hole Dredging**

**This notice replaces 065/2020**

Mariners are advised that from the 2<sup>nd</sup> November dredging work will continue in the swinging hole from excavators on a floating barge, assisted by workboat 'Volga'.

No work should extend into the main channel, but mariners should be aware of the activity and expect to see moving traffic and flashing lights during the working times. Works will commence between three hours before and three hours after high water on both tides per day.

Mariners are requested to pass at slow speed giving as wide a berth as practicable.
